

Oracle EBS & Fusion Cloud Developer Lead

Our organisation

Atradius provides trade Credit Insurance, Bonding and Collections services worldwide through a strategic presence in 50+ countries. Its credit insurance, bonding and collections products help protect companies throughout the world from payment risks associated with selling products and services on trade credit. Atradius forms part of GCO (Grupo Catalana Occidente), one of the leading insurers in Spain and worldwide in credit insurance.

Unit / Team

ITS is responsible for the provision of information technology applications and infrastructure throughout the Atradius Group. Within ITS, the unit owns and maintains Finance Operations systems.

Job description

- Manage the transition of Spanish local finance systems to Oracle Fusion Cloud, including integration of other systems into it
- Lead developers working on Group Finance Operations' implementation of Oracle EBS
- Manage relationship with support teams for the alignment of technical solutions (design, development, technical test)

Job requirements

- Solid experience in technical components from Oracle EBS (Oracle Forms, Oracle Reports, PL/SQL, OAF, Interfaces and Conversions..)
- Solid experience in Oracle Cloud PaaS Components (OIC, Visual Builder, Oracle Apex, PaaS databases)
- Strong knowledge using FBDIs and API REST/SOAP webservice
- Experience leading technical teams across diverse teams (eg location, culture, organisation, internal/outsourced)
- Fluency in Spanish and English is a must
- Experience with finance operations systems (AP/AR/GL/CE) is preferred
- Analytical approach to problem solving and escalation management, with demonstrable ability to make effective decisions at the right time within the overall boundaries of the programme
- Structured, logical, disciplined approach to the planning, organisation and tracking of work, with the ability to think ahead and correlate to the bigger picture. Capability here includes scheduling, resourcing, scoping, impact assessments, risk mitigation, issue management, dependency management across programmes with the ability to explain detail to audiences at all levels
- Willingness to travel (+/- 10 %)

What we offer

- a great and challenging place to work - dynamic, transparent and informal
- an environment for our people where they can realise professional growth
- work in a very international working place
- attractive terms and conditions: salary in line with market conditions, bonus and pension scheme

Equal opportunities for all

The success of our organisation stands with the quality of our people and the ideas they have. Insights and innovative solutions for our customers are the result of an interplay of cultures, knowledge and experience. That is why diversity is extremely important to Atradius. To ensure that all colleagues within Atradius can develop their qualities, we promote an inclusive culture in which everyone feels involved and valued. We encourage and welcome everyone to apply to our positions.
