

Analyst

About Atradius

Atradius is a leading global provider of credit insurance, surety, and debt collection services. We help businesses manage risk and grow confidently by offering solutions that protect against non-payment and insolvency.

Role Overview

We are seeking a highly motivated Analyst to join our team. The successful candidate will play a key role in assessing credit risk and supporting underwriting decisions through detailed financial analysis and market insights.

Key Responsibilities

- Analyse financial statements of companies across various industries to assess creditworthiness.
- Support risk underwriting processes by providing accurate and timely analysis.
- Monitor global economic trends and current affairs to identify potential risks.
- Prepare reports and recommendations for internal stakeholders.
- Work independently to manage assigned tasks and meet deadlines.

Qualifications & Skills

- Strong ability to analyse financial statements is essential
- Prior experience in risk underwriting is preferred
- Excellent analytical and critical-thinking skills
- A keen interest in global current affairs
- Effective team player with strong communication skills
- Ability to work independently, manage pressure well, and demonstrate strong self-initiative

Key Competencies

- **Financial Acumen:** Ability to interpret and evaluate complex financial data accurately.
- **Risk Awareness:** Understanding of credit risk principles and market dynamics.
- **Problem-Solving:** Ability to identify issues, propose solutions, and make sound recommendations
- **Attention to Detail:** High level of accuracy in analysis and reporting.
- **Adaptability:** Comfortable working in a fast-paced environment and adjusting to changing priorities.
- **Collaboration:** Ability to work effectively with cross-functional teams while maintaining independence.

Performance Expectations

- Deliver accurate financial analysis within agreed turnaround times.
- Provide clear, well-structured recommendations to support underwriting decisions.
- Demonstrate proactive monitoring of market trends and emerging risks.
- Contribute to team objectives while managing individual workload effectively.

What We Offer

- Exposure to global markets and diverse industries.
- Opportunity to work with experienced professionals in credit risk and underwriting.
- A collaborative and inclusive work environment.
- Professional development and learning opportunities.

Equal opportunities for all

The success of our organisation stands with the quality of our people and the ideas they have. Insights and innovative solutions for our customers are the result of an interplay of cultures,

knowledge and experience. That is why diversity is extremely important to Atradius. To ensure that all colleagues within Atradius can develop their qualities, we promote an inclusive culture in which everyone feels involved and valued. We encourage and welcome everyone to apply to our positions.
